Bus Procedures

- Please arrive at the bus stop ten minutes prior to the scheduled AM departure time in order to sign in your child on the attendance roster. The bus will depart at the time listed if possible. It will not wait for missing campers so that we do not make other parents late for work. Proceed to the next stop if you arrive after the scheduled departure time.
- AA Transportation Co. will be providing the bus and driver. Look for a regular yellow school bus.
- Indicate who will be picking up your child in the afternoon on the attendance sheet.
- Stay with your child until the bus arrives.
- Please arrive by the expected pick-up time in the afternoon. You will receive ten minutes after the scheduled pick-up time to arrive at the drop-off location. If you are more than ten minutes late, please pay the staff bus monitor \$1 per minute if you are late. Remember that the camp staff have been watching over your children all day. They will be ready to go home, so be kind to them.
- If the PM bus is delayed, the camp office will try to reach one of the parents at the bus stop on their cell phones to announce the delay.
- Expect the first day to be a bit behind schedule until the children get into a routine. We must take attendance and account for everyone before the bus leaves the camp.
- If you arrive at the bus stop in the morning and your child is not on the bus list, you must call the office immediately at 508-835-9883. **Do not** put your child on the bus and send them on their way. Only those on the list are authorized to ride the bus. Arrangements for taking the bus must be made in advance.
- We will use one way text messaging if there are delays due to accidents/closures on roadways, broken down buses, or some other reason.
- Our bus contract is with AA Transportation located in Shrewsbury, MA. If you are looking for lost and found, please contact AA Transportation directly as sometimes they use different drivers who will not be returning to camp that afternoon or next day.
